Your Complaint:

On 1/14 the EPA published a press release titled “ New York Times Continues  
Campaign Against Trump Administration.” I believe this press release is in  
violation of not only government ethics codes but also possibly the law. Here  
is a link to the release in question:

<https://www.epa.gov/newsreleases/new-york-times-continues-campaign-against-trump-administration>

Thank you for your time.
